

Attention CEA-HOW Members

SEEKING NON PARTICIPATING DIRECTORS

Who in your life would like to support the CEA-HOW program and help keep it thriving?

We are looking for Non-Participating Directors (non-CEA-HOW members) for the World Service Board of Directors. Non-members can offer valuable input and perspectives to our discussions and decision-making.

Non-members help us see things that we can't always see ourselves. Possible candidates may have marketing or technology experience; be medical professionals or therapists; have experience in other 12-Step programs (there are many other possible areas of expertise!) This is a volunteer position.

We are all responsible for growing our Program. Helping us to find Non-Participating Directors is an opportunity to be of service to CEA-HOW as a whole!

Commitment:

- Attend three virtual meetings a year.
- Attend virtual Special Board meetings and/or serve on Subcommittees, as needed.
 - Attend Annual Business Conference (expenses reimbursed).
